What is Critter Operations?

1. Attendees who volunteer their time to help with various tasks during the convention
2. Critters are not official Eurofurence Staff (... yet!)
3. Critters don't carry the same responsibilities or time commitment as Eurofurence Staff
4. Critters volunteer only as much time as they're comfortable giving

How do I Critter?

1. **Log in** at **critters.eurofurence.org** and complete the short registration
2. **Activate your account** at the **Eurofurence Info Desk**
3. **Receive** your blue **Critter Badge Ribbon** to show you're part of the Critters
4. **Pick a task** from the available Critter tasks at **critters.eurofurence.org**
5. **Collect hours**, which are **automatically tracked** in your Critter profile
6. **Visit the Info Desk** to talk with the Critter Team **and claim your rewards**

Optional: Take part in a **Stage Safety** briefing and your ribbon will be upgraded to an **orange Critter Ribbon**, which **unlocks tasks in the stage area**.

If you ever have questions or run into a problem, just come back to the **Critter Team** at the **Info Desk!**
We're happy to help and glad to see you.
