Daily panel and table preparation slot. Only open for artists, authorized agents, and their helpers.

12:00-13:00 – Super Sponsors Only

13:00-14:00 – Sponsors and Super Sponsors Only

15:00-18:00 – Regular

Your Eurofurence registration number enables you to acquire bid stickers, which are used to place bids on the pieces that are for sale. Please do not bid in tiny increments – artists appreciate bold, brazen bids. Bid like you mean it! Bids are in Euro. You can place as many bids as you'd like. We will provide additional bid stickers should you run out. Bids are binding.

18:00-20:00 – Life Drawing Session

Some space ships run a warp drive. Some work by particle acceleration. Our space ships are bio fueled and have wings. And you get the opportunity for an exclusive life study up close, along with an in-depth explanation of avian anatomy by our experts from the falconry. Meet the models Eagle, Owl and some so secret we don't dare to share.

The Life Drawing Session is back again this year. And if you're an aficionado of avians you likely don't want to miss this year's session. Photos are one thing for reference. And those birds in zoological gardens always sit at the far end. But what about the real thing close up? If that gets you excited, then join our life drawing session and expand your knowledge. Don't be shy! Our birds are tame and well trained for movies and shows. But no touchies! Space is limited. The early bird gets a seat.

■ Thursday

20:00-22:00 – Arts and Crafts Party

Artists, dealers and Eurofurence Staff are welcome to relax, connect and share ideas in a lounge-like setting with drinks and music. Enjoy exclusive access to the Art Show, unwind after a busy day and celebrate creativity in a warm, inspiring atmosphere.

Join us for a special reception at the Dealers' Den and Art Show! On this memorable occasion, the doors to Arts & Crafts will open to all artists, dealers and Eurofurence Staff for an exclusive get-together. This will be an unique opportunity to talk about art and its creation in a relaxed, inspiring atmosphere and enjoy your favorite drink from the bar in a lounge-like atmosphere with well-chosen background music.

We will open the doors so that you can explore the Art Show at your leisure. Take this chance to socialize, unwind, and immerse yourself in the creative atmosphere. The staff of the Dealers' Den and the Art Show look forward to seeing you.

22:00-01:00 – Space Night

The Art Show invites you to another exclusive event. Eurofurence can be quite loud fun in the evening hours. Whether you need some time away from the noisy side of the convention or fancy a quiet and relaxed atmosphere to end the day with your friends - we got you covered. Join us and experience the Art Show in a completely different light and colourful atmosphere. Explore our new light setup with the Hall H universe completely dark - except for the local Art Show sun system. Have easy conversations and slack off in our lounge corners. Snacks and refreshments, included, are waiting for you as well. Charity event. Limited Tickets available at the Con Ops Desk for a donation of 5 EUR.

Payment takes place at the Security Desk. Cash and Euro (EUR) only. Please make sure you have enough money at hand. ATMs can be found around the venue if you need to stock up. You get a receipt in return which you hand in at the Art Show to collect the pictures you've bought.

Payout of your earnings takes place at the Security Desk. Please note that money will only be handed out to artists or their authorized agents.

13:00-22:00 – Unsold Art Pickup

19:00-22:00 – Teardown

Please make sure you remove all things you've brought with you into the Art Show. That goes for unsold art, packaging material, decorative items and all the other stuff. Also the last chance to pick up unsold art. We will not store items for you. Leaving us to deal with stuff you left behind will get you a record.
